Mayor's Letter

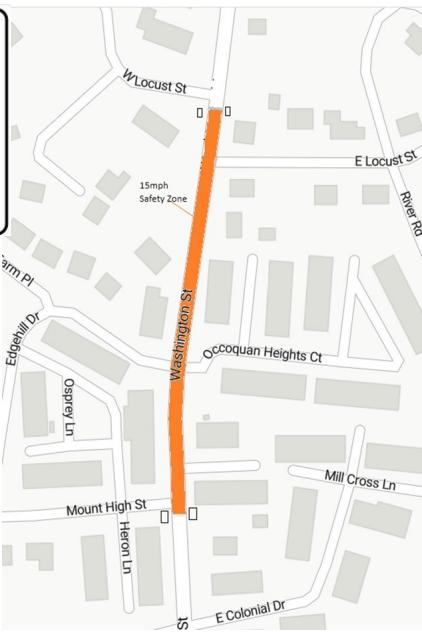

As this newsletter goes to print we are preparing for the Fall Arts & Crafts Show and hoping we are not adversely impacted by Hurricane Helene. Keeping my fingers crossed that all will go well I would like to thank in advance all the town staff (including and particularly Julie Little and Adam Linn) and the wonderful volunteers who make the show possible. Revenues from the show, as many of you know are an important source of funding for town capital projects and special initiatives, thus helping keep town real estate taxes low.

October is a month packed with events. On Saturday, October 5, the town will once again be a site for the Friends of the Occoquan's (FOTO) fall clean up, which will take place from 9:00 a.m. to noon. Pre-registration is encouraged so for more information and to register-please go to www.friendsoftheoccoquan.org. On Friday, October 11, in River Mill Park, we will be holding the last Trivia Night of the season, whose theme will be "Quiz Pro Quo." More information on this event is contained elsewhere in this newsletter and on the town web site. Also in River Mill Park, on October 18 and 19 we will host our second annual Murder Mystery Night, this year entitled, "The Curse of the Amethyst." Last year's inaugural event was so well received that we decided this year to hold two nights of the event. Again, additional information may be found elsewhere in this newsletter and on the town web site. Last October ends with our popular series of Halloween-themed events, which include, among other things, our costume parade and contest and haunted maze. You'll find additional information within these pages and elsewhere as we get closer to the end of the month.

You'll also see in this newsletter some information on an upcoming change to the speed limit on a portion of Washington Street. This change is designed to encourage motorists to slow down and notice the two pedestrian crosswalks on this stretch of roadway. More educational information will be forthcoming prior to implementation. As always, thank you all for your continued support of our community and please do not hesitate to contact me at eporta@occoquanva.gov with any questions, comments, or concerns.

New Speed Limit on Washington Street

The Town Council at their August 6th meeting, approved reducing the speed limit around two sections of crosswalks on Washington Street to help with pedestrian safety. The new speed limit will be reduced from 25mph to 20mph. Signs will be installed in October and enforcement will begin in November.

Plausible suspects have been gathered in the museum's secret late night speakeasy in an effort to solve the crime and return the jewel in time for the exhibition's grand opening!

Join us for an interactive murder mystery evening in River Mill Park! Due to the popularity of last year's event, we have added a second night of the show. The two date options are **Friday, October 18 at 7:00 pm** and **Saturday, October 19 at 7:00 pm**. 1920s glamour costumes are highly encouraged!

Tickets are \$48 or 2 for \$86. Space is limited so sign up early at visitoccoquanva.com/murder.

Costume Parade & Contest: October 26, 2024

Join the Town of Occoquan's family-friendly Occoquan Costume Parade & Contest on **Saturday, October 26 from 10:00 am to 12:00 pm**. Starting at 10:00 am, Mayor Earnie Porta will lead the parade down Mill Street to River Mill Park, where costume judging will take place. The benefits to the Town of this certification include: the opportunity to review and improve our hazardous weather plans, receive increased weather and storm information, gain confidence and public recognition, and the Town and its residents may qualify for rate reductions in the National Flood Insurance Program (NFIP), which includes the Community Rating System (CRS).
