Military Tribute Banners

Beginning in March 2025 residents, businesses, friends, and visitors to Occoquan can once again sign up to sponsor a banner honoring a U.S. military veteran. This successful and popular program is a partnership between the Town and VFW Post 7916. If you are a new sponsor interested in honoring your family member, ancestor, or friend for their military service, or a former sponsor wishing to renew for 2025, visit militarytributebanners.org and select Virginia/Occoquan under the Banner Programs menu; or, stop by Town Hall or VFW Post 7916 for more information.

Mayor's Letter

It appears, knock on wood, that we have seen the last of the snow for the season as we now look forward to spring. Thank you, everyone, for your patience as staff has worked diligently with our various state and local partners, as well as our contractors, to try to minimize any disruptions. As you know, weather was a factor in the rescheduling of our February Firelight Night to March, but unfortunately, now that March Firelight Night has been cancelled as well. A plethora of events are on the horizon in April, however, with our marshmallow Peeps Show dioramas and activities and the Friends of the Occoquan (FOTO) spring river clean up. Information on both is elsewhere in this newsletter and on the town web site.

March is also the month where we open up the Military Tribute Banners program in collaboration with our VFW Post 7916. This popular program is an excellent way to honor a family member, ancestor, or friend for their military service. To be a new sponsor or to renew a past sponsorship, go to militarytributebanners.org and select Virginia/Occoquan, or if you wish you can stop by Town Hall or VFW Post 7916 for more information.

The town has also begun the budget process for FY 2026, which begins July 1. Council meetings in March will include discussions of, among other things, the Events Fund and General Fund. Those who are interested in the preliminary budget figures are encouraged to either attend the meetings or review the materials available on the town web site. Ample opportunity for public comment will be provided at several meetings and public hearings.

Last, for those who have been following the Mill at Occoquan project, although it is moving forward, it appears unlikely that demolition will begin this month; we will do our best to keep you informed as more information becomes available. As always, thank you for your continued support of our community. Please do not hesitate to contact me at eporta@occoquanva.gov with any comments, questions, or concerns.
