Many businesses are attracted to Occoquan because of the quaint and historic environment. The Sign Regulations were put in place to protect this environment. Details of our sign regulations are found in Chapter 66, Article VIII of the Town Code, available on the Town's website (www.occoquanva.gov). Businesses should thoroughly read the guidelines before making any signage decisions.

Each business is allowed a total of four signs and flags (See Town Code, Article VIII, Section 66-393, for details). While a maximum of four are allowed, we ask you to take into consideration the frontscape of your building and create signage to maximize your business without cluttering your frontscape. Also note that overall appearance and installation must be of professional quality.

Sign/flag size: The maximum allowed is 4 x 4 feet.
Color: Historic or restoration colors. Some suggested color palettes can be found in the book *Century of Color* (a copy is available for viewing in Town Hall) and online at: http://www.archive.org/stream/everymanhisownpa00phil#page/n11/mode/2up, turn to page 6.
Materials: Signs must be constructed of materials which can withstand weather conditions and will be attached on sign holders that are not flimsy.
Commercial flag: A commercial flag is one that contains the store name, logo or the like, is of flexible material, and is flown from a pole that is connected to the building.
Right-of-Way: All signs/flags must have a 7-foot ground clearance and not interfere with traffic on the brick sidewalks.

*This application must be filed and the fee paid at Town Hall by noon on the Wednesday prior to the Architectural Review Board meeting, which is regularly scheduled to meet on the **second Tuesday of each month** at 7:30 p.m. in Town Hall. The applicant or representative must be present at the meeting during which the ARB will review the application.*
