Mayor's Letter

Fall is finally here, and there are a number of upcoming events that make Occoquan not only a special place to live, but the #1 Tourist Destination in Prince William County. They include the Friends of the Occoquan (FOTO) Fall cleanup in October, the Annual Town Tree Lighting in November, and the Town Blessing and Holiday Party in December, to name just a few. Check out the Town website to learn more about these and other upcoming Occoquan traditions.

Construction is underway on Phase I of the Town's new maintenance and restroom facility at River Mill Park. And, to commemorate the opening of Occoquan's newest park, the Town is excited to announce a special brick fundraising program! A limited number of 4 by 8 inch red clay bricks are available for purchase at Town Hall or online at www.occoquanva.gov. Individuals, businesses, and organizations will be permitted up to three lines of engraving and the option for a logo or clip art in return for a donation. The commemorative bricks will be installed along a new brick pathway at River Mill Park, and will become a permanent fixture in our community to be enjoyed by future generations. All proceeds generated by the commemorative brick paver program will go towards future parks programming, maintenance and improvements within the Town of Occoquan.

Finally, the Town has partnered with Keep Prince William Beautiful (KPWB) to identify two locations as Adopt-a-Spots, in which adoptees maintain their spot free of litter and debris on an ongoing basis for a minimum of two years. KPWB provides the training and supplies necessary for volunteers to plan and oversee nine cleanups a year, and signage in the area recognizing the sponsor. The homeowners' association of Gaslight Landing has already graciously offered to adopt Mamie Davis Park, and I'd like to publicly thank them for their participation. The area under the Route 123 Bridge is also available for adoption - please contact Town Hall for more information.

Occoquan Arts & Crafts Show – Thank You!

Thank you to all of our residents, businesses, vendors, visitors and volunteers for a successful Fall Occoquan Arts and Crafts Show! With your support, we are able to host almost 300 exhibitors and welcome almost 10,000 visitors to our community! In our 46th year, proceeds generated from the semi-annual show continue to go toward funding infrastructure and maintenance improvements in town, including sidewalks, roads, parks and public buildings. Together, the shows generate almost \$120,000 in net revenue annually to go toward capital improvement projects, allowing the Town to limit tax impacts on our residents and businesses. Thank you once again for a great year – we're already looking forward to 2016!

Vehicle Decals

The Town of Occoquan 2016 vehicle decals are now on sale at Town Hall. Town Ordinance Section 62-37 requires that owners of any motor vehicle principally stored, garaged or parked in the Town obtain a license decal from the Town. **The 2016 decal must be displayed on your vehicle by November 15, 2015.**

You will be receiving your renewal form in the mail during the first week of October. Forms and payments can be mailed back to Town Hall or dropped off in person. Town Hall will be open on Saturday, November 14 from 10:00 a.m. to 12:00 p.m. for your convenience.

Halloween Safety Tips

It is important to remember that Halloween is around the corner and to make trick-or-treat enjoyable for everyone, we need to be vigilant to ensure children's safety.

Here are a few safety tips for trick-or-treating:

- ◆ Make sure kids wear light colors, or put reflective tape on their costumes.
- ◆ Trick-or-treaters should always be in groups and parents should accompany young children.
- ◆ Make sure kids know not to enter strange houses or strangers' cars. Children should stop only at familiar homes where the outside lights are on.
- ◆ Kids need to know not to eat their treats until they get home. One way to keep trick-or-treaters from digging in while they're still out is to feed them a meal or a snack before hand.
- ◆ Check out all treats at home in a well-lighted place.
- ◆ There is no set trick-or-treat time; however, generally trick-or-treat lasts from dusk until 9pm.

If you follow these simple tips you will be sure to have a happy and safe Halloween for the whole family!
